Acknowledgements

I would like to thank Shivani Srivastava who was one of our mentors from the clevered team and she helped me a lot throughout the internship and guided me when i needed help.

The logo for 'clevered' is displayed in white lowercase letters on a solid green rectangular background. The text is centered within the rectangle. There are also decorative curved lines in the corners of the slide: a grey one in the top right and a yellow one in the bottom left.

ABOUT ME...

Im Rex Carvalho. Im 14 years old. I live in Dubai and I go to Gems Wellington International School. I have many hobbies like basketball, football and guitar.

About My Internship Journey with Clevered..

The internship has gone really well and I have learnt many skills and techniques which I can use in the future. The Internship has been challenging but also fun.

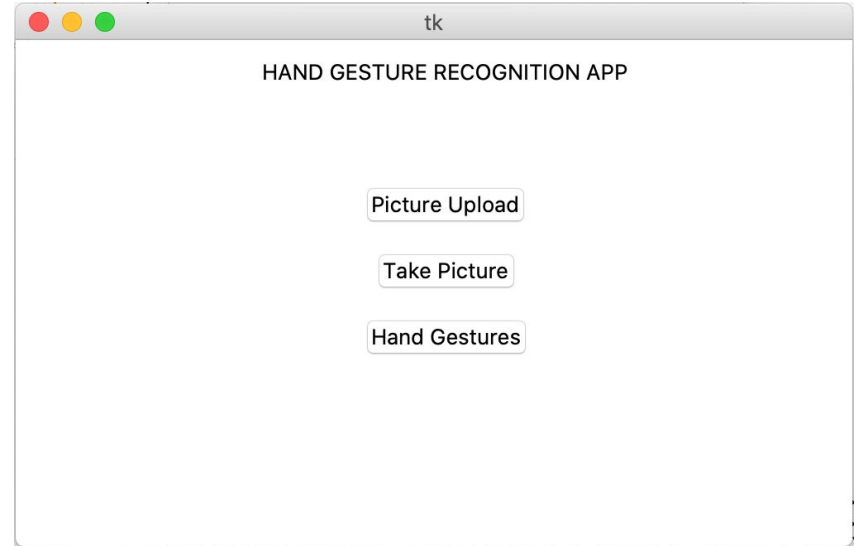

The logo for Clevered, featuring the word "clevered" in a white, lowercase, sans-serif font, centered within a solid green rectangular background.

clevered

About App..

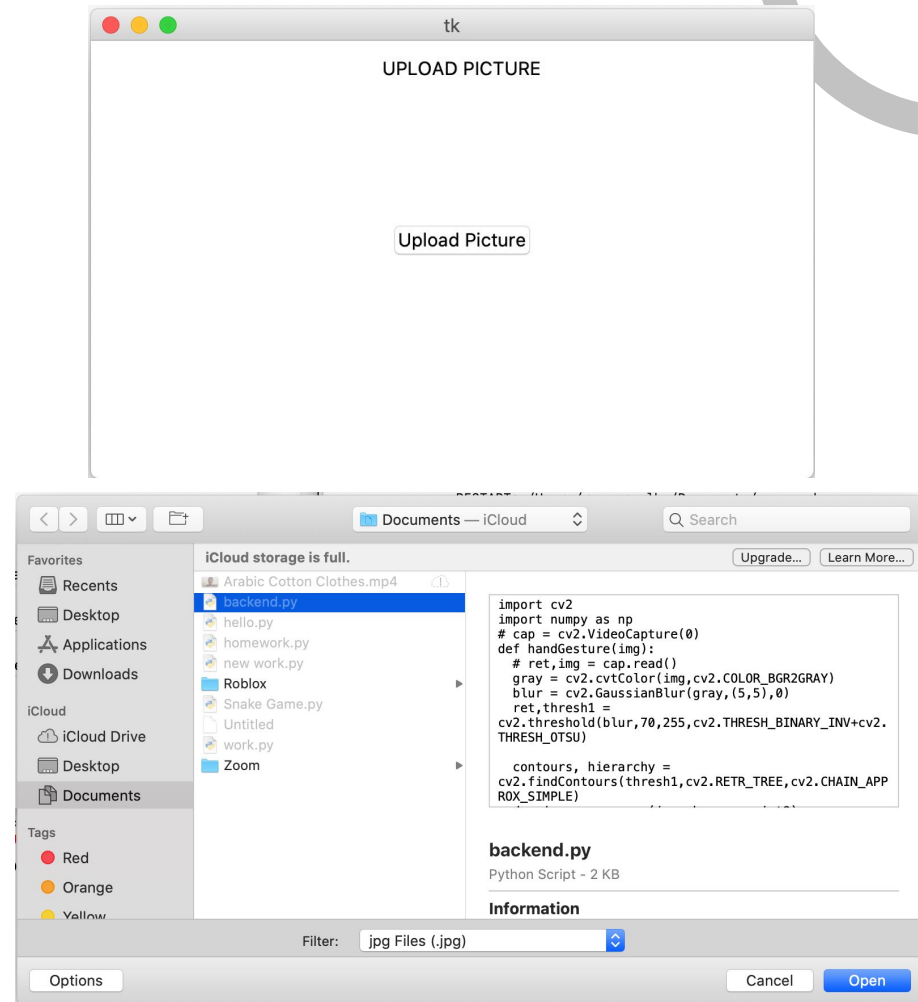

On the right there is an image of the app's main menu. This menu can take you around the app by clicking on the buttons which are Picture Upload, Take Picture and Hand Gestures.

To use this app you need to upload an image, then the code will use computer vision algorithm to count the number of fingers which are shown in the image.

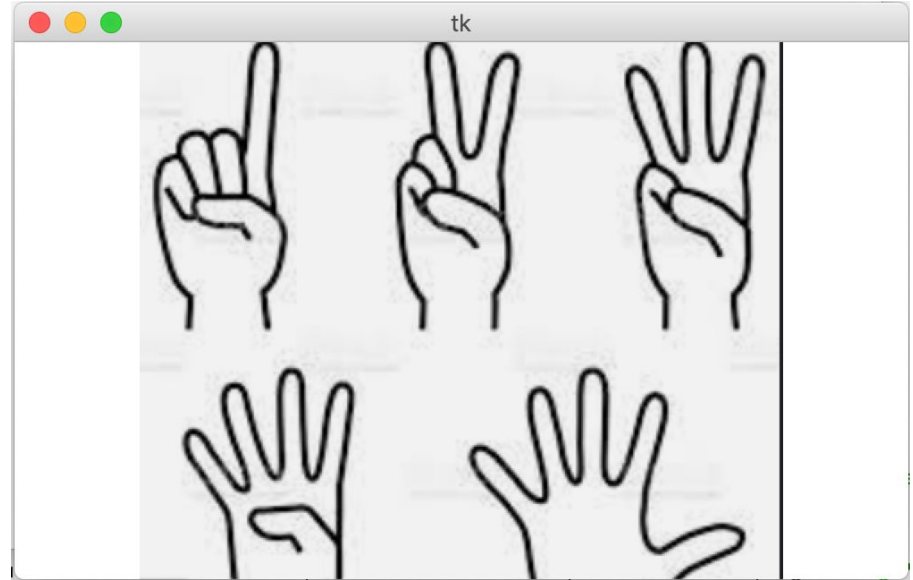

Picture Upload

When you click on the Picture Upload button on the main menu it takes you to this window which has another button which allows you to upload a picture from your own system which is shown below

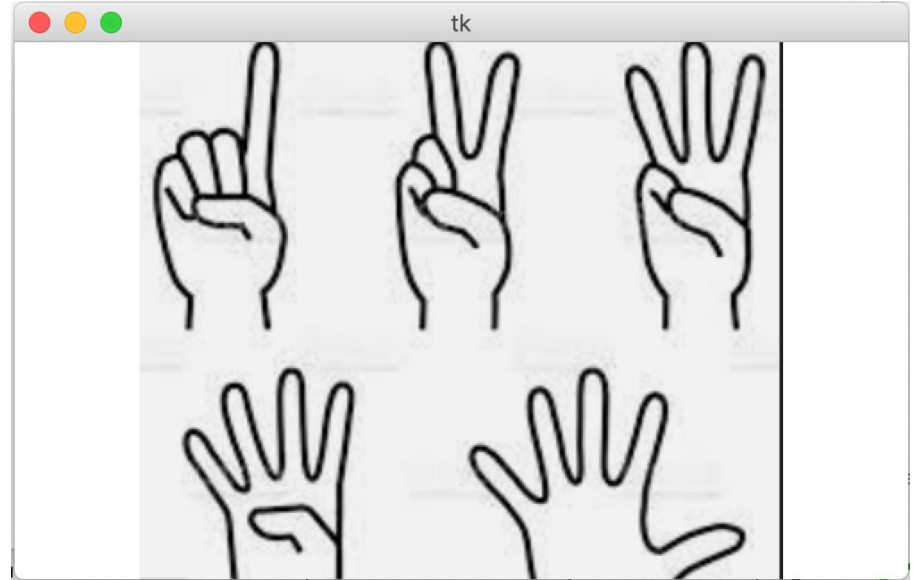

Hand Gestures

When you click on the Hand Gestures Button from the Main menu it takes you to another window where it shows you the different type of Hand Gestures you can try with the app.

Hand Gestures

When you click on the Hand Gestures Button from the Main menu it takes you to another window where it shows you the different type of Hand Gestures you can try with the app.

THANKS
